Mr. Eliot Chabot
Democratic President - District 19
100 Maryland Avenue
Rockville, MD 20850

Dear Eliot:

Please see attached letter to Counsel President Roger Berliner. I would appreciate your invitation to address The 18th District Legislative District Caucus and debate Mr. Berliner or anyone he designates on the vital issue of Question B – whether to repeal a thirty year old Montgomery County law that gives police limited rights within a limited time period to discuss the “effects” of management decisions affecting their families. Our police strongly urge a vote “AGAINST” Question B.

Also, please read carefully the letter I previously sent to all precinct officials (attached). I would appreciate a reply, at your earliest convenience when I can address your District Caucus and Mr. Berliner or his designee to join me in debating the facts and the issues regarding Question B, within the next two weeks if possible with respect and in a way that will inform the audience.

Sincerely,

Lanny Davis
